

Hi everyone. Nice to meet you.

This is my school, Kaho junior high school.

Let me tell you about my school.

It is a new school. There are about 200 students.

In Japan, when you finish elementary school, you go to junior high school.

In my school, there are three grades- first, second and third. There are three classrooms for each grade. We don't have lockers so we put our bags in the classrooms.

Some students walk or cycle to school. Others come by car or by bus.

CLASSES

We have five or six lessons every day. The first lesson starts at 9:00am every morning. The last lesson finishes at 3:50pm.

The subjects we study are: Japanese, English, Math, Science, P.E., Art, Music, Technology and Home Economics.

Each class is fifty minutes long. There are ten minutes between classes.

FOOD

Lunch starts at 12:50pm. We have thirty minutes to eat our meal.

We don't bring our lunch to school. Lunch is made in the school kitchen. The menu changes every day. We usually eat rice with miso soup and some fish or meat. We always drink milk with lunch.

My favorite lunch is kimuchi rice with wakame soup.

CLUBS

After the last lesson, we can take part in club activities.

There are about eight clubs in my school. These are: baseball, volleyball, basketball, kendo, tennis, table tennis, art and computer club.
